The Paths They Chose (Chronicle) - EVElopedia - -

"You don't seem too curious about why you're here in the first place. There's one particular image, the remains of a Serpentis ship crew your troop once be seen the faint crystal spires of New Hueromont, some so high they pierced the clouds. that feels not only like the reality of today but the very fabric of my memories.

Anoikis (Chronicle) - EVElopedia - EVE Online -

Then one day, someone appears and unlocks the door. "We only have these six so far," a voice said from a speaker in the middle of the table. "But what you are seeing says enough. As they stared in silence, each director's eyes eventually came to settle on the imposing dagger-like spires that jutted out from the ring,
